

Twisty

The Twisty from IMI Cornelius is a fully automatic shaker that creates a wide range of mouth watering drinks. It is particularly suited for creating iced coffee beverages, with its innovative time saving design meeting the need for a small, compact shaker which is easy to use and versatile.

The Twisty is equipped with a unique shaker which features a patented blending system, ensuring the sugar dissolves perfectly to produce a wonderfully smooth drink topped with a delicious creamy froth.

Key features include:

- Patented design
- Blends all ingredients together effortlessly
- Saves time
- The blending system is very easy to remove and clean
