

Vitalize630

The Vitalize630 from IMI Cornelius, (formerly known as Twister) is ideal for making delicious iced coffees, coffee based cocktails and a wide range of other ice-cold drinks.

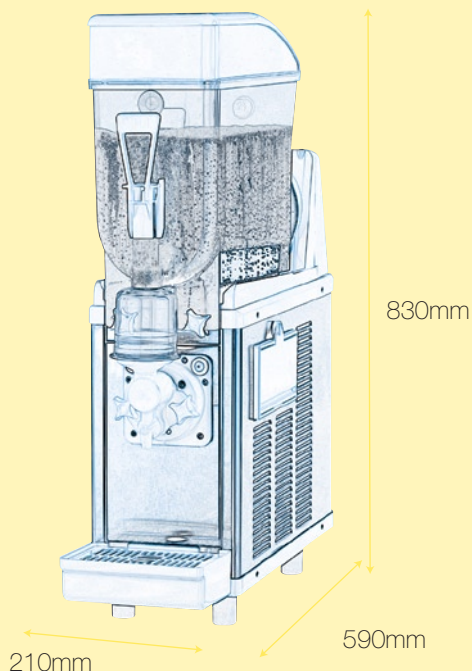

The unit is able to deliver a consistent drink temperature for a perfect dispense everytime. Using the special patented mixing chamber the Vitalize630 whips the product to produce a delicious frothy drinks experience.

The special funnel placed on the mixer enables the operator to add a wide range of flavours which greatly increases the drinks offering to the customer.

Key features include:

- Ideal for adding syrups or spirits into mixing chamber
- Large 8 Litre bowl capacity
- Easy to use
- Easy to clean
- Temperature and mixing time can be adjusted to exactly match the drink

Size and capacity:
